Session 1 Session 2
Aug. 7 Aug. 8

Opportunity

We use our camps as an opportunity to see and coach as many high school kids as possible in one setting. We have had 22 former or current Bison players that have attended our camps! It's just impossible to get out and see all of the players that we would like to see during the high school and AAU seasons.

The BISON BASKETBALL ELITE CAMP is a great opportunity to spend a day on our campus, spend some time with our coaches and players, and see how we do things here at Harding. It's also a great opportunity for our staff to get a good evaluation on players.

We will limit each session to 60 participants.

The ELITE camp will include some testing (accurate height, weight, wing span, vertical leap, etc.), skill work, and lots of playing. We will also do a campus tour, as well as a NCAA Eligibility session. We look forward to seeing you this summer!
